Licence Information Career Compass

JiIG-CAL Australia provides high quality software to facilitate effective career planning and development. Career Compass is career exploration software for 12—14 year old students.

Customer Support

JiIG-CAL provides Professional and Technical support. Support is included with all licences at no additional charge. Please contact us if you require assistance.

Licences

Career Compass licence entitles you to the program for a period of one year, with no more than the maximum number of clients prescribed by your Licence.

Licence Subscription

Licences are on an annual subscription basis. All customers are automatically invoiced when their annual subscription becomes due. Continued use of any version of Career Compass is contingent on payment of the annual subscription.

Updates

Career Compass are updated annually and a new version is released to all customers at the commencement of each academic year.

Licence Agreement

The Licence Agreement are available to view at www.careercompass.com.au. The Agreement is binding and states all conditions of your Career Compass licence. If you have any questions about the Agreement please contact us.

How to Order

Career Compass can ordered by visiting www.careercompass.com.au
